Dear Mr. Stogner:

Meridian wishes to simultaneously dedicate a 160 acre gas proration unit being the NE/4 of Section 24, T23S, R36E, Lea County, New Mexico to the J.F. Janda (NCT-G) well No's 1 & 2.

Well No. 1 was temporarily abandoned and the Non-Standard gas proration unit was assigned to well No. 2 under Administrative Order NSP-1438 dated October 12, 1984. Meridian now wants to bring well No. 1 back on production and simultaneously dedicate the 160 acre non-standard gas proration unit to both wells #1 & 2.

All offset operators were notified of this application by certified-return receipt mail on 8/6/91.

Attached is list of offset operators and plat showing location of both wells.

Should you require additional information, please contact me at (915) 688-5767.

Sincerely,

Maria L. Perez
