**RE: Groundwater Work Plan Approval
for the Plains Marketing, L.P.
DS Hugh 4-inch Gathering Line Release Site (1R-463)
Unit Letter A, Section 26, T21S, R37E, NMPM, Lea County, New Mexico**

Dear Mr. Henry:

The New Mexico Oil Conservation Division (OCD) has reviewed the submitted proposed Groundwater Work Plan, dated December, 2009, for the above-referenced site. The OCD hereby conditionally approves the work plan:

Plains Marketing, L.P. shall obtain approval from the OCD prior to discontinuing NAPL recovery.

Please be advised that OCD approval of this work plan does not relieve the owner/operator of responsibility should operations pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the owner/operator of responsibility for compliance with any OCD, federal, state, or local laws and/or regulations.

If you have questions regarding this matter, please contact me at 505-476-3489.
