RE: STATE 16 #1-Y, UNIT P, S16-T9S-R37E

Gentlemen:

An Oil Conservation Division Representative made a recent inspection at the above referenced location. According to the inspector, there is a 4" line between the production tanks that has a small leak.

A phone call was made to your pumper, John Bob Stearns, on August 12, 1998 and was informed of the problem.

We would appreciate your prompt attention to this matter and request that you perform any repairs necessary to correct the problem.

Another inspection will be made prior to September 1, 1998.

Sincerely,

CHRIS WILLIAMS
District I Supervisor

/sad

INSTRUCTIONS

This form is to be filed with the appropriate District Office of the Division not later than 20 days after the completion of any newly-drilled or deepened well. It shall be accompanied by one copy of all electrical and radio-activity logs run on the well and a summary of all special tests conducted, including drill stem tests. All depths reported shall be measured depths. In the case of directionally drilled wells, true vertical depths shall also be reported. For multiple completions, Items 25 through 29 shall be reported for each zone. The form is to be filed in quintuplicate except on state land, where six copies are required. See Rule 1105.

Re: State 16 #1-Devonian - Wildcat
Lea County, New Mexico

Dear Mr. Williams:

Attached are Forms C-104, C-105, Electric Log, and Deviation Survey for the captioned well. Cobra Oil & Gas Corporation respectfully requests the log be held confidential for the maximum time period allowed under OCD Rules and Regulations.

Thank you for your consideration of this request. Should you require additional information, please advise.

Sincerely Yours,

A handwritten signature in black ink that reads "Rory Edwards". The signature is written in a cursive, flowing style.

Rory Edwards
Production Supervisor
