**Subject:** Soil Samples - Murchison Oil Lease - July 8th, 10am

This is to confirm that D& H Pump will be pulling soil samples from the Murchison Oil lease located at CR 202 off Hwy 82 in Artesia, NM on July 8th at 10 a.m. for the purpose of performing a TPH and BTEX analysis.

Mike Bratcher of the NMOCD will be present to witness the sampling.

If directions are needed, please contact Frank Ramirez at (575)390-0555 or Tommy Folsom of Murchison Oil at (575)628-3932.

Let me know if you have any questions.

Thanks,
