Dear Sir:

In regards to your letter of November 19, 1956 referring to our Sellers No. 3-A, Section 30, Township 30 North, Range 10 West, San Juan County, New Mexico. The information that you have on this well is correct.

We did not successfully separate the Pictured Cliff and Mesa Verde formations in our attempt for dual completion and in this well the Mesa Verde formation has been temporarily abandoned in a manner approved by the Oil Conservation Commission; therefore, please cancel your orders of DC 301 and NWU 182.

If you require any other information please let me know.

Yours very truly,

E. J. Coal
