Eddie,

It is my understanding that RRALs, as agreed upon by OCD, have been met, and your current proposal, as discussed with Ms. Bonham, is to install a 20 mil liner over the currently excavated area at this site. If this understanding is correct, you may proceed with closure. If not, please advise.

Mr. Bratcher:

I am seeking written approval to continue closing of the above listed site. I met with Mrs. Sherry Bonham on 5/13/10, and was given verbal approval to continue closure, but did not receive her written approval due to accident.

I would appreciate a letter of approval to continue with the closing.

I appreciate your help.

Thanks,
