Mr. A. L. Porter, Secretary Director
New Mexico Oil Conservation Commission
P.O. Box 2088
Santa Fe, New Mexico

Dear Sir:

Beta Development Co. is preparing to drill the R. D. Farmer No. 1 well located 2470' from the South line and 1190' from the West line of Section 30, T. 31N., R. 11W., San Juan County, New Mexico.

We propose to dedicate the West 323.40 acres to the well. The overage of acreage in the proration unit is due to a variation in the legal subdivision of the U. S. Public Land Survey.

Beta Development Co. hereby requests administrative approval for a non-standard proration unit covering the above mentioned W/2 of the Section in accordance with the Basin Dakota gas pool order R-1670-C.

If this approval is granted please forward the administrative order to 234 Petroleum Club Plaza, Farmington, New Mexico.

Yours very truly,

BETA DEVELOPMENT CO.
