Re: Request for New Mexico Oil
Conservation Commission Approval
to Increase Acreage Dedication on
our Santa Fe Pacific Railroad Well No. 5

Dear Sir:

Please find attached our request to the New Mexico Oil Conservation Commission for Administration Approval to increase acreage dedication for increase of allowable on our SFP-RR Well No. 5, Unit Letter P, Section 13, T17N, R9W, McKinley County, New Mexico, Undesignated Dakota Field.

We are also attaching copies of Certified plats covering our request to the Commission.

At the time of this request, Mr Antweil was the offset operator, since then you have become the operator and we are forwarding all the information to you that we filed with the New Mexico Oil Conservation Commission.

Although the letter to the Commission was dated November 25, 1970, it was not mailed until December 17, 1970.

Yours very truly,

TENNECO OIL COMPANY

Re: Administrative Approval Request to
Increase the Acreage Dedication for
Increase of Allowable on SFP-RR No. 5,
Unit Letter P, Section 13, T-17N, R-9W
McKinley County, New Mexico - Undesignated
Dakota Field

Gentlemen:

We request administrative approval to increase the dedicated acreage from forty (40) to fifty-one and 46/100 (51.46) acres on the above subject well.

1. The Units involved are contiguous.
2. They are part of the same basic lease, carrying the same royalty interest - Tenneco Oil Company 80% and Santa Fe Pacific RR 20%.
3. The ownership of the Units involved is 100% Tenneco Oil Company.

Please find attached three (3) copies of a certified plat showing the dimensions and acreage involved in the pooling, the ownership of all leases and royalty interests involved, and the location of any proposed wells. We are also attaching a copy of our letter forwarded to Allen Antweil, the offset operator, via certified mail (certification attached) regarding this request for approval.

Your early approval of this request after the ten-day waiting period will be appreciated.

Yours very truly,

TENNECO OIL COMPANY
