Each grouping of wells with identical ownership shall be continuously metered prior to sales. Within each identically owned set of wells, allocation of production and sales shall be according to periodic well tests.

The commingled production shall be stored at the State "Y" tank battery located in Unit A of Section 25, Township 25 South, Range 37 East, NMPM, Lea County, New Mexico.

It is the responsibility of the producer to notify the transporter of this commingling authority. The operator shall notify the Hobbs district office of the Division upon commencement of commingling operations.

Done, at Santa Fe, New Mexico on this 17th day of February 2004.

LORI WROTENBERY
Division Director
