Santa Fe, New Mexico 87505  
Attn: David Brooks

Re: Maljamar 15 Fed #1  
Section 15-T17S-R32E  
Lea County, NM

Dear Mr. Brooks:

Pursuant to Division Rule NMAC 19.15.15.13, Devon Energy Production Company, L.P. ("Devon") hereby applies for approval of an unorthodox oil well location for the following well:

Well: Maljamar 15 Fed #1  
Location: 1310' FNL & 1310' FEL  
Well Unit: E/2NE/4 of Section 15, T17S-R32E, NMPM, Lea County, New Mexico

The unorthodox location is necessary due to a planned recompletion of an existing well uphole. The well was originally drilled to test the Devonian formation (Maljamar-Devonian Pool), with a NE/4 well unit, and an unorthodox location was approved by Administrative Order NSL-4150. The well was subsequently completed in the Wolfcamp formation (Baish-Wolfcamp Pool), with an E/2NE/4 well unit, and an unorthodox location was approved by Order R-11192.

Devon now proposes to add perforations in the Abo formation (Maljamar-Abo Pool). Under Order R-2766, the pool is spaced on 80 acres, with wells to be located within 150' of the center of the quarter-quarter section, with the well unit again being described as the E/2NE/4.

The NE/4 of Section 15 is covered by Federal Lease NM 0315712. Working interest in the NE/4 is common except the interest of COG Operating LLC differs between the E/2NE/4 and W/2NE/4. Therefore, notice of this application was given to and COG Operating LLC. Also, the overriding royalty interests differ between the E/2NE/4 and W/2NE/4 and notice of this application was provided to those uncommon overriding royalty interest owners in the W/2NE/4 as well. Copies of all notice letters are attached.

Also, included for your review are a Form C-102, a structure map showing the Abo base structure, and a land plat of the subject area.

If there are any questions or if additional information is required please call me at (405) 552-3351.

Respectfully,  
Devon Energy Production Company, L.P.

A handwritten signature in black ink, appearing to read "Trent A. Tarp". The signature is fluid and cursive, with the first name "Trent" being more prominent than the last name "Tarp".

Re: Maljamar 15 Fed #1  
Section 15-T17S-R32E  
Lea County, NM

Ladies and Gentlemen:

Attached you will find Devon Energy Production Company, L.P.'s administrative application for approval of an unorthodox well location covering the referenced well. Our records indicate that COG Operating LLC has an interest in the W/2NE/4 of Section 15-T17S-R32E and as an owner in an offset spacing unit is entitled to notice of this application in accordance with Division Rule 104(f). In accordance with NMOCD Rules, objections to this application must be filed with the New Mexico Oil Conservation Division within 20 days from the date the OCD receives the application. If you have no objection to this application, please so indicate by signing and returning one copy of this letter to the undersigned via facsimile to 405-552-8113.

If there are any questions or if additional information is required please contact me at (405) 552-3351.

Respectfully,  
Devon Energy Production Company, L.P.
