located at least 330 feet from any unit outer boundary or quarter-quarter section line. The proposed location for this well is less than 330 feet from the southern unit boundary.

Your application has been duly filed under the provisions of Division Rules 15.13.C [19.15.15.13.C NMAC] and 4.12.A(2) [19.15.4.12.A(2) NMAC].
