908 Midland Savings & Loan Building
Midland, Texas**

Administrative Order CTB No. 41

Gentlemen:

**Reference is made to your application dated July 6, 1959,
for administrative approval of an exception to Rule 309 (a) of the
Rules and Regulations of the Oil Conservation Commission to permit
the commingling of the oil produced from the following described
State of New Mexico oil and gas leases in the Vacuum Pool to-wit:**

**Lease No. E-7259, NW/4 NW/4 of Section 20
Lease No. B-1398, NE/4 SE/4 of Section 19**

**all in Township 17 South, Range 35 East, NMPM, Lea County, New
Mexico.**

**By the authority vested in me under the provisions of Rule
309 (b) of the Rules and Regulations of the Oil Conservation Commission
of New Mexico, I hereby authorize you to commingle the production from
the Vacuum Pool in a common tank battery.**

**Nothing contained herein shall be construed as authorizing
the production of more than sixteen wells into a single tank battery.**

Very truly yours,

**A. L. PORTER, Jr.,
Secretary-Director**

OIL CONSERVATION COMMISSION

P. O. BOX 871

SANTA FE, NEW MEXICO

January 1, 1934

Mr. J. H. ...
Santa Fe, New Mexico

Dear Sir:

Reference is made to your letter of December 15, 1933.

The Commission is pleased to advise you that the application filed July 1, 1933, for the conservation of oil in the ...
The Commission has approved the application and has issued a permit for the conservation of oil in the ...
The permit is valid for a period of one year and is subject to the following conditions:

1. The permittee shall maintain a record of the oil conserved and shall submit a report to the Commission at the end of each year.

2. The permittee shall not dispose of the oil conserved in any manner other than as directed by the Commission.

3. The permittee shall not use the oil conserved for any purpose other than the conservation of oil.

Very truly yours,
J. H. ...

Director

Oil Conservation Commission
