Attention: Mr. F. M. Loop

Gentlemen:

We are writing this letter asking for your consent for Carl J. Westlund to commingle oil from two separate leases in the Vacuum Pool in accordance with Rule 309 (B), Central Tank Batteries.

Carl J. Westlund has a Shell-State #1 well in the NW of NW, Section 20, T-17-S R-35-E and Shell-State #2 well in the NE of SE, Section 19, T-17-S R-35-E, Lea County, New Mexico.

The reason we are seeking to commingle this oil into one central battery is to save the expense of installing a second tank battery. We have already received approval from the Commissioner of the State Lands to commingle the oil of these two state leases.

If our commingling is acceptable to you, will you please acknowledge the original of this letter and return to us in the self-addressed stamped envelope. Your prompt attention to this request will be greatly appreciated.

Dear Sir:

We are writing this letter asking for your consent to allow Westlund to commingle oil from two separate leases in the Central Pool in accordance with Rule 309 (B), Central Tank Batteries.

Carl J. Westlund has a Shell-State #1 well in the NW 1/4 of Section 20, T-17-S R-35-E and Shell-State #2 well in the NE 1/4 of Section 17, T-17-S R-35-E, Lea County, New Mexico.

The reason we are seeking to commingle this oil into the central battery is to save the expense of installing a second tank battery. We have already received approval from the owner of the lease lands to commingle the oil at these two leases.

If our commingling is acceptable to you, will you please acknowledge the original of this letter and return to us in a stamped envelope. Your prompt attention is greatly appreciated.

Yours very truly,

CARL J. WESTLUND

Attention Mr. James W. Brown

Dear Sir:

I am in receipt of your letter of June 3, 1959 in which you advised me of your intentions to file an application for permission to commingle oil from your Shell-State Well No. 1 located in the NW/4 of the NW/4, Section 20, T-17-S, R-35-E, and your Shell-State Well No. 2 located in the NE/4 of the SE/4 of Section 19, T-17-S, R-35-E, Lea County, New Mexico. It is our understanding that your reason for requesting approval to commingle this oil into one central battery is to save the expense of installing a second tank battery. It is also our understanding that you have already received approval from the Commissioner of the State Lands to commingle the oil produced from these two state leases.

Phillips Petroleum Company, as an offset lease owner to the two subject wells, has no objection to the granting of this application and we hereby waive notice of hearing.
