Re: IN THE MATTER OF SKELLY OIL COMPANY SEEKING
ADMINISTRATIVE APPROVAL FOR AN EXCEPTION TO
STATEWIDE RULE NO. 309 AS PERTAINING TO A
CENTRAL TANK BATTERY FOR PRODUCTION FROM
WELLS IN THE LANGLIE-MATTIX OIL POOL, LEA
COUNTY, NEW MEXICO.

Oil Conservation Commission
State of New Mexico
Santa Fe, New Mexico

Gentlemen:

James NEW SKELLY OIL COMPANY, a Delaware Corporation, with offices in Tulsa, Oklahoma and Hobbs, New Mexico, hereby petitioning the Secretary of the New Mexico Oil Conservation Commission for administrative approval for an exception to Statewide Rule No. 309 as pertaining to a central tank battery for production from wells on our Hobbs "K" and "L" leases in the Langlie-Mattix Pool, Lea County, New Mexico.

In support of this application for administrative approval for an exception to Rule No. 309, we wish to make the following statements:

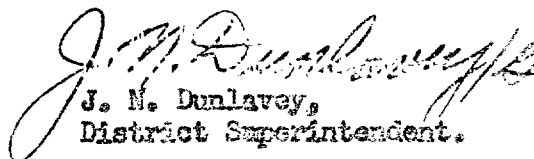

1. That the petitioner's Hobbs "K" lease is the 80 acre tract confined by the S/2 SW/4 Section 2, Township 23 South, Range 36 East, which has one well now being completed.
2. That the petitioner's Hobbs "L" lease is the 80 acres confined by the S/2 SE/4 Section 2, Township 23 South, Range 36 East, which has one well being drilled at the present time and is expected to be completed in the near future.
3. That the above tracts are contiguous.
4. That all the production will be from the same common source of supply, namely the Langlie Mattix Queen Formation.
5. That no more than sixteen units will be produced into a common tank battery and adequate facilities will be provided for accurately determining production from each well at reasonable intervals.

6. That the above two tracts concern but a single royalty owner, namely, the State of New Mexico, and are both dedicated to a common beneficiary.
7. That a plat of this general area showing offset ownership, present and proposed Langlie-Mattix wells, proposed tank battery and flow lines, has been prepared and is accurate and complete to the best of our knowledge.
8. That all offset operators have consented in writing to the commingling of production from the separate leases and the statements are attached hereto.
9. That Skelly Oil Company is the only lease owner of the separate leases.

Therefore, so that undue hardship will not be enforced, Skelly Oil Company requests that the Secretary of the Commission administratively grant an exception to Statewide Rule 309, by which oil from separate State leases may be produced into central tank battery.

Yours very truly,

SKELLY OIL COMPANY

J. M. Dunlavey,
District Superintendent.
