Gentlemen:

TEXACO Inc. has been informed of the proposal of Phillips Petroleum Company to produce two separate and contiguous State leases in the San Simon Yates Pool Area, Lea County, New Mexico into one common tank battery. The leases from which the production is to be commingled are Phillips-Yates "A" Lease located in Section 29, and their Merchant "A" Lease located in Section 32, all being in T-21-S, R-35-E, Lea County, New Mexico.

This is to inform you that TEXACO Inc., as an offset operator, has no objection to this application and hereby waives all objections to the granting of a permit for this purpose.

Yours very truly,

Mr. Vilas P. Sheldon
302 Carper Bldg.
Artesia, New Mexico

Dear Sir:

Phillips Petroleum Company proposes to produce two separate and contiguous state leases in the San Simon Yates Pool area, Lea County, New Mexico, into one common tank battery. These two leases and the offset operators are shown on the attached plat.

Since the proposal is in exception to the New Mexico Oil Conservation Commission Rule 309, your consent to this exception as an offset operator is requested.

Yours very truly,

W. C. Rodgers
