

OIL CONSERVATION COMMISSION

P. O. BOX 871

SANTA FE, NEW MEXICO

January 8, 1962

James G. Brown & Associates
First National Bank Building
Midland, Texas

Attention: Mr. J. A. Warren,
Production Superintendent

Administrative Order CTB-76

Gentlemen:

Reference is made to your application dated December 13, 1961, for administrative approval of an exception to Rule 309-A of the Commission Rules and Regulations to permit the commingling of the Pearl-Queen Pool production from your Federal and Federal A Leases located in Section 4, Township 20 South, Range 35 East, NEEN, Lea County, New Mexico.

By the authority vested in me under Rule 309-B of the Commission Rules and Regulations, I hereby authorize you to commingle the production from the above-described leases from the Pearl-Queen Pool in a common tank battery; provided however, that the installation shall be operated in accordance with the Commission "Manual for the Installation and Operation of Commingling Facilities."

Very truly yours,

A. L. PORTER, Jr.,
Secretary-Director

ALP/JEW/esr

SOIL CONSERVATION COMMISSION

P. O. BOX 871

SANTA FE, NEW MEXICO

Dear Sir:

I am pleased to hear from you regarding the proposed project.

The following information is being furnished to you:

1. A copy of the report of the field trip to the project area, dated 1961, which contains a detailed description of the soil conditions and the proposed conservation measures.

2. A copy of the report of the laboratory analysis of the soil samples collected during the field trip, dated 1961, which contains a detailed description of the soil properties and the proposed conservation measures.

Very truly yours,

W. H. HARRIS
Director

W. H. HARRIS

Enclosed for your information are two copies of the report of the field trip to the project area, dated 1961, which contains a detailed description of the soil conditions and the proposed conservation measures.
