Hobbs, New Mexico

Attention: Mr. J. G. Blevins, Jr.

Administrative Order CTB-127

Gentlemen:

Reference is made to your application dated August 28, 1964, for administrative approval of an exception to Rule 309-A of the Commission Rules and Regulations to permit the commingling of oil produced from the Moore Devonian Pool on your State of New Mexico "BO" Lease comprising the NW/4 of Section 24, and the SW/4 of Section 13, and your State of New Mexico "BR" Lease comprising the E/2 SW/4 of Section 24, all in Township 11 South, Range 32 East, Lea County, New Mexico. It is our understanding that each of these leases has a common working interest and that the royalty interest is also common throughout, and that you therefore propose to allocate the production to the leases on the basis of periodic well tests.

Under the authority granted me pursuant to Rule 309-B, you are hereby authorized to commingle the above-described production as proposed, subject to the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities."

Very truly yours,

A. L. Porter, Jr.
Secretary-Director
