Attention: Mr. V. E. Staley

Administrative Order CTB-164

Gentlemen:

Reference is made to your application dated July 25, 1966, for administrative approval of an exception to Rule 309-A of the Commission Rules and Regulations to permit the commingling of Chaveroo-San Andres production on your State "DB" Lease comprising the W/2 and SW/4 SE/4 of Section 25, and your State "DF" Lease comprising the NE/4 SE/4 of Section 25, all in Township 7 South, Range 33 East, Roosevelt County, New Mexico. It is our understanding that the ownership of the leases is identical throughout and that you therefore propose to allocate the production to each of the leases on the basis of periodic well tests.

Under the authority granted me pursuant to Rule 309-B, Pan American Petroleum Corporation is hereby authorized to commingle the above-described production as proposed, subject to the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities."

Very truly yours,
