C
Coastal States Gas Producing Company
Wilco Building
Midland, Texas 79701

Attention: Mr. Jack R. McGraw

AMENDMENT

Administrative Order CTB-190

O
Gentlemen:

P
Reference is made to your application dated January 15, 1969, for amendment of Administrative Order CTB-190 which authorized the commingling of Tulk-Pennsylvanian production from your State "23" Lease and your State "26" Lease comprising the SW/4 Section 23 and the NW/4 Section 26, respectively, Township 14 South, Range 32 East, Lea County, New Mexico, after separately metering the State "23" production and determining the State "26" production by means of the subtraction method.

Y
It is our understanding that you now seek authority to commingle Tulk-Pennsylvanian production from the following properties, all in Township 14 South, Range 32 East, Lea County, New Mexico:

Jointly owned, Midwest and Coastal States

Section 23: All (OG-5094, L-44, and L-521)

Section 26: All (L-521, L-44, and L-549)

This production will be commingled after separately metering the production from each well except the production from State "23" Well No. 1, which will be determined by subtraction.

SAINTA FE, NEW MEXICO 87501

February 13, 1969

Coastal States Gas Producing Company
Wilco Building
Midland, Texas 79701

AMENDMENT

Administrative Order CTB-190

Separately owned, Coastal States

Section 13: SE/4 SW/4 (OG-5094)
Section 22: SW/4 and E/2 (L-520)
Section 27: All (L-522)
Section 34: N/2 and SW/4 (L-523)
Section 35: NE/4 (L-549)

This production will be commingled after separately metering the production from each well except that the production from one well may be determined by subtraction.

Under the authority granted me pursuant to Rule 309-B, Administrative Order CTB-190 is hereby amended and Coastal States Gas Producing Company is authorized to commingle the above-described production as proposed, subject to the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," including the requirement for non-reset counters on the meters and temperature-compensated meters.

Please notify the Hobbs District Office of the Commission at such time as the installation is complete in order that an inspection of same can be made.

Very truly yours,

A. L. PORTER, Jr.
Secretary-Director

OIL CONSERVATION COMMISSION

P.O. BOX 2088

SANTA FE, NEW MEXICO 87501

January 11, 1961

Mr. J. Edgar Hoover, Director

Federal Bureau of Investigation

Washington, D.C. 20535

Dear Sir:

Reference is made to your letter of January 10, 1961.

Enclosed for the Bureau are two copies of

Report of the Santa Fe Oil Conservation Commission
dated January 10, 1961, and a copy of the
minutes of the meeting of the Commission held
on January 10, 1961, at Santa Fe, New Mexico.
(Enc. 2)

The Commission was organized on January 10, 1961, and
has since that time been engaged in a study of the
oil resources of the Santa Fe area and the
conservation of these resources.

The Commission is composed of representatives of the
oil industry, the State of New Mexico, and the
Federal Government. The Commission has held several
meetings since its organization and has received
many suggestions for the conservation of oil
resources. The Commission is currently engaged in
a study of the oil resources of the Santa Fe area
and the conservation of these resources.

The Commission is currently engaged in a study of the
oil resources of the Santa Fe area and the
conservation of these resources. The Commission
is currently engaged in a study of the oil
resources of the Santa Fe area and the
conservation of these resources.

Sincerely,
J. Edgar Hoover

Very truly yours,
J. Edgar Hoover
Director
