Dear Mr. Williams:

We have received your letter of November 28, 1995, wherein you have requested permission to surface commingle production from the Monument Abo 35 Well No. 2 and store the production off-lease at the Monument Abo Well No. 1 Storage Facility located in Unit F, Sec. 2-20S-36E, Lea County, New Mexico.

The Commissioner of Public Lands approves your request to surface commingle the production from the above mentioned wells. It is our understanding that both wells produce from the Monument Abo Pool and that all production will be metered separately.

It appears that you will need to acquire a right-of-way and a business lease from this office for this proposed operation. Please contact Debbie Padilla at 827-5729 for a right-of-way and Nick Mace at 827-5727 for a business lease.

Pursuant to State Land Office Rule No. 1.055, please submit a \$30.00 dollar filing fee.

NOTES

*1 With nothing of record to show the disposition of the Record Owners' (Charles M. & Elizabeth H. Huffer) interest, except a QCD from John C. Huffer, conveying all of his interest, it is being assumed that this is all of the interest of said Record Owners.

*2 These owners received their interest in the 1930's. Nothing has been filed in Lea County, New Mexico since the time they acquired their interest. Additionally, there were no addresses listed on the instruments conveying title.

(A) There are some interests claimed in the Records which are "wild deeds" even though an extensive search was made from the Abstractors Index & Miscellaneous Files, as well as, the County Clerk's Grantor & Grantee Indices, & Probate Indices of both the County & District Clerk.
- Said interests are as follows:-

(1) A deed from Pauline Fettig, a widow, conveyed all of her interest to Brian H. Scharborough, whose address is PO Box 2474, Midland, TX 79702 (RE: DR/484-571, dated 5/1/92).

(2) An Assignment of ALL Mineral/Interests, (unknown amount or source) from Stryker & Brown, whose address is 14 E. 60th St., Ste 702, New York, NY 10022, to the Permian Basin Acquisition Fund, dated 8/31/92 RE: DR/486-785; if the source & amount of this interest is determined, the same would now be vested as follows:
