Re: Dugan's 8-1-97 application  
Proposed surface commingling  
Five of Diamonds CPD  
San Juan Co., NM

Dear Mr. Stone:

Attached for your review in consideration of the subject application is a letter from the Bureau of Land Management (BLM) advising that BLM approval is not necessary since the spacing units for each well involves only one Federal lease.

Please let me know if you need any additional information.

Sincerely,

Farmington, NM 87499-0420

Dear Mr. Roe:

You applied for approval to surface commingle production from Well No. 2S Five of Diamonds and Well No. 90 Five of Diamonds. Both wells are located on lease NMNM-030555A and consists of spacing units comprised totally of this lease. Per 43 CFR 3162.7-3, no approval to surface commingle production on a single lease is necessary. We have retained your application in our files for information purposes only.

Sincerely,

Duane W. Spencer  
Team Lead, Petroleum Management
