

OIL CONSERVATION COMMISSION

P. O. BOX 871

SANTA FE, NEW MEXICO

December 14, 1959

**Graridge Corporation
Ibex Building
P. O. Box 752
Breckenridge, Texas**

Attention: Mr. B. G. Harrison

Re: Administrative Order WFX-19

Dear Sir:

Reference is made to your letter of December 9, 1959, requesting approval to substitute McNutt State Well No. 17 for McNutt State Well No. 12 in Administrative Order No. WFX-19.

It is our understanding that it was necessary to plug and abandon McNutt State No. 12 prior to completion and that McNutt State No. 17 was drilled in lieu of and approximately 50 feet from McNutt State 12.

Graridge Corporation is hereby authorized to substitute for McNutt State Well No. 12, an injection well, McNutt State Well No. 17, an injection well, located 1685 feet from the South line and 955 feet from the West line of Section 21, Township 18 South, Range 28 East, NMPM, in Administrative Order WFX-19.

Very truly yours,

**A. L. PORTER, Jr.,
Secretary-Director**

ALP/JEK/og

Oil & Gas Engineering Committee - Hobbs**

OIL CONSERVATION COMMISSION

P.O. BOX 511

SANTA FE, NEW MEXICO

Dear Sir:

Enclosed for you are two copies of a report
on the oil conservation work of the
Commission during the year 1934.

Very truly yours,

W. H. HARRIS, Chairman

cc -

The report contains a summary of the work of the
Commission during the year 1934, and a list of the
oil conservation projects which have been completed
during the year.

The report also contains a list of the oil
conservation projects which are now in progress,
and a list of the oil conservation projects which
have been recommended for future work.

The report is a summary of the work of the
Commission during the year 1934, and a list of the
oil conservation projects which have been completed
during the year.

Very truly yours,

W. H. HARRIS, Chairman
