Re: West Square Lake
WFX 88

Dear Sir:

We request permission to transfer WFX 88 from Leonard Federal Well No. 1 to Leonard Federal Well No. 10 in Unit Letter "L" of Section 34, T-16-S and R-30-E. Attached is casing program used in Well No. 10 to complete your files. Leonard No. 10 was drilled as a twin to No. 1 which became unusable for injection.

Yours truly,

Herman J. Ledbetter
