Attention: Mr. W. P. Tomlinson

Gentlemen:

Administrative Order WFX-246 authorized for water injection a well to be drilled 990' FSL and 990' FWL of Section 14, Township 18 South, Range 31 East, NMPM, Eddy County, New Mexico. Inasmuch as the order does not place a time limit as to when injection shall be commenced and since there are no wells on leases offsetting the subject well, conversion to water injection may be made at the discretion of the operator. The well may be produced as desired if an allowable is applied for and approved by the appropriate district office of the Commission. Conversion to water injection shall be in the manner as authorized by WFX-246.

Very truly yours,
