Re: Administrative Order WFX-253

Gentlemen:

Administrative Order WFX-253 authorized the expansion of the MCA Unit waterflood project into Sections 19 and 30, T-17S, R-32E, Lea County, New Mexico. Said order authorized MCA Unit Well No. 242 to be drilled in Unit E of Section 19. Due to the location of a pipe line near the proposed location 2615' from the north line and 25' from the west line of the section, it is necessary to move the well 100' to the south. This will place the location 2565' FSL and 25' FWL of Section 19 and will place the well in Unit L of Section 19.

It would be appreciated if you would authorize this change in Administrative Order No. WFX-253.

Yours very truly,
