RE: Injection Pressure  
Increase for Sulimar  
Queen Waterflood

Dear Sir:

Pursuant to the information presented on the McClellan Sulimar Queen Waterflood by Mr. Joe Johnson of Stephens Engineering on January 19, 1983, the injection pressure limitation on those wells affected by WFX Administrative Orders Nos. (477), 486 and 487 are hereby rescinded and replaced with the injection pressure limitation of 1000 psi. Case No. 7774 will be dismissed on February 2, 1983, due to the above conditions.

If you have any questions on this matter, please call me at (505) 827-5803.

Sincerely,

  
Joe D. Ramey  
Director
