Re: Administrative Order WFX-689  
Conversion of Tonto #7  
Request for Extension

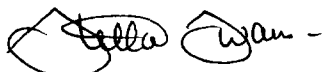

Dear Mr. Catanach:

Triumph Exploration, Inc. is planning to takeover operations of the Tonto Waterflood Unit, effective April 1, 1999. We plan to convert the Tonto No. 7 well to an injection well as soon as we have our State and Federal bonds in place and approval from the OCD and BLM for the Change of Operator. However, we don't believe we will have everything in place by the April 15, 1999 deadline. Therefore, pursuant to our conversation on this date, we respectfully request an extension of the above referenced order to May 15, 1999.

Thank you for your assistance in this matter.

Sincerely,

**Triumph Exploration, Inc.**
