RE: Administrative Approval to

Gas/Water Injection Project
McKinley County, New Mexico

Gentlemen:

Tenneco Oil Company respectfully submits application for administrative approval to expand the Lower Hospah Gas/Water Injection Project. Under terms of Commission Order R-4389, the Secretary-Director has the authority to grant such request.

Tenneco plans to drill and equip six (6) gas/water injection wells in the following locations:

<u>Well Number</u>	<u>Location-all in Sec. 12, T17N, R9W</u>
54	1320' FNL & 5' FEL
57	2290' FNL & 110' FWL
58	2580' FNL & 1640' FWL
59	2340' FNL & 2500' FEL
60	2210' FNL & 1300' FEL
61	5' FNL & 1520' FEL

In addition, Tenneco also plans to dually complete the existing Hospah #56 as both an Upper Injector (its current status) and a Lower Gas/Water Injector. In support of this application and in concurrence with Order R-4389, we are attaching the following:

1. A plat showing the location of the proposed injectors and all wells completed in the area, both by Tenneco and offset operators.
