Gentlemen:

Reference is made to your letter of January 20, 1958, wherein you note that Administrative Order SMD-6 describes the proposed injection well as the Federal Simmons Well No. 1 rather than the Federal Simmons Well No. 2 as was applied for. Order No. SMD-6 is hereby corrected read "Well No. 2".

Gentlemen:

Please refer to your Administrative Order No. SWD 6 dated November 5, 1957 which granted permission to Warren Petroleum Corporation to effect conversion to salt water disposal of its Federal-Simmons Well No. 1 located 1980 feet from the South line and 1980 feet from the East line of Section 7, Township 9 South, Range 38 East, NMPM, Lea County, New Mexico.

The application for such permission was submitted for Well No. 2 instead of Well No. 1 as stated in your above numbered order. Inasmuch as we have taken over the operation of this property, we would appreciate it if you would take any action you deem necessary to correct the error in well number.

Yours very truly,

C. F. TAYLOR
