August 12, 1981

Joe D. Ramey  
Division Director  
State of New Mexico  
Oil Conservation Division  
P.O. Box 2088  
State Land Office Building  
Santa Fe, New Mexico 87501

Re: Administrative Order  
No. SWD - 235

Dear Sir:

Union Oil Company of California respectfully requests an increase to 1700 psi. as an allowable injection pressure into the Pipeline Deep Federal Well No. 5. This request is based upon the results from the attached step rate test which indicates a parting pressure of 1725 psi. The step rate test was run August 12, 1981.

Sincerely yours,  
UNION OIL COMPANY OF CALIFORNIA

Re: Administrative Order  
No. SWD - 235

Dear Sir:

Union Oil Company of California respectfully requests an increase to 1700 psi. as an allowable injection pressure into the Pipeline Deep Federal Well No. 5. This request is based upon the results from the attached step rate test which indicates a parting pressure of 1750 psi. The step rate test was run July 23, 1981.

Sincerely yours,  
UNION OIL COMPANY OF CALIFORNIA
