Re: Samantha State "7", Well #2 A Sec. 7, T-14-S, R-33-E, Lea County, New Mexico

Dear Mr. Quintana:

Per our telephone conversation April 5, 1984, attached is a list of the offset operators for the referenced well and a map showing the leases. I have mailed each offset operator a copy of our application for salt water disposal along with the attachments.

There are no wells within the two mile radius producing from the same zone as our well.

If you need anything further, please let me know.

Yours truly,

Mrs. Brenda Coffman Agent

BC
