Re: Administrative Order No. SWD-444

Gentlemen:

The above captioned order was approved to Stevens Operating Corporation on October 28, 1991 permitting the conversion of a well then named the McClellan Federal No. 4, located in Unit P (660' FSL & 660' FEL) of Section 27, Township 13 South, Range 29 East, NMPM, Chaves County, New Mexico to a salt water disposal well.

A number of changes have subsequently occurred. McClellan Oil Corporation has replaced Stevens Operating Corporation, now in Chapter 7 bankruptcy, as operator. Another well was drilled on the lease, the Stevens Federal No. 3, Unit I (2270' FSL & 520' FEL) of Section 28, Township 13 South, Range 29 East, NMPM, Chaves County, New Mexico. This well has now been converted to a salt water disposal well under Administrative Order No. SWD-464. McClellan Oil Corporation therefore requests that Administrative Order No. SWD-444 be terminated.

Thank you for your consideration in this matter. We will appreciate written notification when termination action is taken.

Sincerely,

McCLELLAN OIL CORPORATION

Mark McClellan  
Vice President
