Dear Interest Owner and Purchaser:

Re: Notification of Application of Concho Resources Inc. for Administrative Approval
For Lease Commingling and Off Lease Sales of Gas Production
Indian Draw '12' Federal Lease & Indian Draw 13 Lease
Sec. 12 & 13, T-22S, R-27E, Eddy County, New Mexico

Concho Resources Inc. respectfully requests your approval for Lease Commingling of gas production from the Indian Draw '12' Federal lease with the gas production from the Indian Draw '13' lease. The Indian Draw '12' Federal No. 1 well and the Indian Draw '13' No. 1 well are single completions in the Otis Morrow pool. The common sales meter for said wells is located in Unit L, Section 18, T-22S, R-28E in Eddy County, New Mexico.

The working interest and the royalty interests are not common in the two wells therefore; production from each well will be metered separately at the well before being commingled.

If you have any objection to this request, it is necessary for you to file a written objection within twenty (20) days of July 28, 2000 with NMOCD. If you have no objections to this proposal it is not necessary for you to file anything.

Should you have any questions please feel free to call me at (915) 683-7443.

Sincerely,

Terri Stathern
Production Analyst
