Attention of Mr. A. L. Porter, Jr.

Gentlemen:

McAlester Fuel Company hereby waives its right of objection to the application made by Union Oil Company of California for an exception of Rule 309 to permit the production from their State "C" No. 1-28 well, located in Section 28, T-15-S, R-32-E, Lea County, New Mexico, to be transported prior to measurement to their State Lease for storage thereon.

It is our understanding that, if this application is approved, commingling of production will not result from the proposed off-lease storage facilities and there will be no intercommunication of the handling, separating, treating, or storage facilities designated to each lease.

Very truly yours

MCALESTER FUEL COMPANY
