Commissioner of Public Lands
State of New Mexico
Santa Fe, New Mexico

Dear Sir:

Coastal States Gas Producing Company has made application to the New Mexico Oil Conservation Commission, requesting that they be allowed to have off-lease storage for their Southern Minerals State and Flying "M" State leases, located in the Flying "M" (San Andres) Field of Lea County, New Mexico. The leases involved are state leases located in Sections No. 16 and 21, T-9S, R-33E.

All production will be from the same common source, commingling of production will not result, and there will be no intercommunication of the handling, separating, treating, or storage designated to each lease. The tank battery storage for these leases will be located in the approximate center of the NW/4 of Section 21. Attached is a plat showing the leases involved.

As outlined in Rule 309-C, paragraph No. 6, the Commissioner of Public Lands must consent to the proposed off-lease storage. Coastal States would appreciate receiving your approval as soon as possible.

Very truly yours,

COASTAL STATES GAS PRODUCING COMPANY
