Attention: Mr. R. E. Cross, Jr.

Administrative Order OLS-62

Gentlemen:

Reference is made to your recent application for an exception to Rule 309-A of the Commission Rules and Regulations to permit off-lease storage for your Bell State Lease which comprises the NW/4 of the NE/4 of Section 32, Township 8 South, Range 30 East, Cato-San Andres Pool, Chaves County, New Mexico. It is our understanding that the tank battery for this lease would be located in Section 28 on your Winkler Federal Lease.

Pursuant to the authority granted me by Rule 309-C of the Commission Rules and Regulations, Sinclair Oil & Gas Company is hereby authorized off-lease storage as described above, provided that there shall be no inter-communication of the handling, separating, treating, or storage facilities designated to each lease.

Very truly yours,

**A. L. PORTER, Jr.
Secretary-Director**

1. The first of these is the fact that the United States has a large and growing population of Negroes, who are the descendants of slaves brought to America by the British and other European powers. This population is now estimated to be about 10 million, and is growing at a rate of about 1% per year. This is a very large and growing population, and it is one of the major factors in the development of the United States.

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

Gentlemen:

Sinclair Oil & Gas Company is proposing off lease storage facilities for their Bell-State Lease with the tank battery to be located on the Winkler Federal Lease NM-0155494-A. Also, it is proposed to install a multi-lease automatic custody transfer unit for the above two leases. Enclosed is map showing the location of the leases and a schematic drawing of the ACT unit with the description of material and sequence of the operating cycle.

Since the United States owns royalty under one of these leases your approval is hereby requested.

Sinclair plans to request authority from the New Mexico Commissioner of Public Lands and from the New Mexico Oil Conservation Commission for the proposed projects. Upon receipt of approval from your office and the office of the Commissioner of Public Lands, necessary forms will be filed with the Oil Conservation Commission and a copy will be furnished to you. All provisions of the Commission's Rules 309-A and 309-C will be complied with.

If any further information is desired regarding this application, please advise.

LOCO #3

Re: State of New Mexico Oil and Gas Lease No. K-4649 (Bell-State), Off Lease Storage;
and Tank Battery installation on Winkler Federal Lease, South Cato Field, Chaves County

Regarding your request for authorization to install off-lease storage facilities for your Bell-State Lease K-4649 with the tank battery to be located on the Winkler Federal Lease; and install a lease automatic custody transfer unit for each lease, we have no objection to this request. Therefore, the Commissioner of Public Lands, by the authority vested in him, hereby grants approval of the above request.

The Commissioner of Public Lands reserves the right to withdraw this approval, if at any time, in his discretion, he deems this operation to be adverse to the best interests of the State of New Mexico.

Your \$10.00 filing fee has been received and applied to this Approval to Commingle.

Gentlemen:

Your letter of November 21 requests approval to place storage facilities for your Bell-State lease on Federal leasehold New Mexico 0155494-A. You also request approval to install an automatic custody transfer unit for the San Andres oil production from Federal leasehold New Mexico 0155494-A.

The storage facilities and automatic custody transfer unit proposed for Federal leasehold New Mexico 0155494-A as described by your letter is hereby approved. The location of storage facilities for your Bell-State lease on the Federal leasehold is also approved. Any addition or change in the system will require approval by this office.

You are requested to notify our Roswell District office when the installation is completed so that a field inspection of the system can be made.

Sincerely yours,

CARL C. TRAYWICK
Acting Oil and Gas Supervisor
