AMENDMENT  
Administrative Order PC-9

Gentlemen:

P Reference is made to your letter dated December 13, 1966, wherein  
you request an amendment to Administrative Order PC-9 which, as amended,  
permits the commingling of Fusselman and Tubb-Drinkard production on  
your Arnott Ramsay "F" Lease which comprises the N/2 of Section 36,  
Township 25 South, Range 37 East, Lea County, New Mexico. It is our  
Y understanding that you now wish to include Blinebry production with the  
presently commingled Fusselman and Tubb-Drinkard production on said  
lease after each is separately measured.

Administrative Order PC-9 is hereby amended to permit the com-  
mingling of Justis Blinebry, Justis Fusselman, and Justis Tubb-  
Drinkard production on the subject lease as described above, provided  
that the installation shall be operated in accordance with the provi-  
sions of the Commission "Manual for the Installation and Operation of  
Commingling Facilities," and provided further, that you shall notify  
the Hobbs District Office of the Commission at such time as the instal-  
lation is complete in order that an inspection may be made.

Very truly yours,

A. L. PORTER, Jr.
