O **AMENDMENT**

Administrative Orders PG-47, PG-180, PG-166, and PG-167

Gentlemen:

P Reference is made to your letter dated January 29, 1968, wherein you request an amendment to the above-captioned orders to permit the commingling of the production authorized by said orders without separately measuring the production from any pool inasmuch as all production on the respective leases is of marginal nature.

Y Administrative Order PG-47 which authorizes the commingling of Drinkard, Blinbry, and Tubb production on your Carl E. Livingston Lease is hereby amended to permit the allocation of production on the basis of periodic well tests.

Administrative Order PG-180 is hereby amended to permit the commingling of Blinbry, Drinkard, Mare, and Brunson production on your Turner Lease, allocating the production on the basis of periodic well tests.

Administrative Order PG-166 which authorizes the commingling of Drinkard and Blinbry production on your State Section 15 Lease is hereby amended to permit the commingling of production on the basis of periodic well tests.
