Re: Administrative Order PC-73

Gentlemen:

Reference is made to your letter dated January 14, 1970, wherein you advise that your State "CK" Well No. 3, located in Unit N of Section 19, Township 21 South, Range 37 East, Lea County, New Mexico, was being recompleted from the Penrose-Skelly and Blinebry Pools to the Paddock Pool.

Although production from said Well No. 3 and Well No. 1 also located in Unit N is expected to exceed a top unit allowable for the Paddock Oil Pool, Pan American will not be required to separately meter the production from said pool at this time.

Very truly yours,
