Re: Administrative Order PC-95

Gentlemen:

Reference is made to Administrative Order PC-95, issued by the Commission September 5, 1962, which order erroneously permitted the commingling of Paddock and Brunson production on your Hugh Corrigan Lease in the NE/4 SE/4 of Section 33, Township 21 South, Range 37 East, NMPM, Lea County, New Mexico.

Administrative Order PC-95 is hereby corrected to permit the commingling of Paddock and Wantz-Abo production on said lease without metering the production from either pool and allocating the production on the basis of monthly well tests.

Very truly yours,

**A. L. PORTER, Jr.,
Secretary-Director**
