Amendment
Administrative Order PC-180

Gentlemen:

Reference is made to your letter of July 19, 1965, wherein you advise that your Argo A Well No. 9 was recently completed as a top allowable Wantz-Abo producer. Administrative Order PC-180 authorized the commingling of top allowable Blinebry production with marginal Drinkard and Wantz-Abo production on the Argo-Argo A Lease after separately metering the Blinebry production and the combined Drinkard Wantz-Abo marginal production.

Administrative Order PC-180 is hereby amended to permit the commingling of Blinebry, Drinkard, and Wantz-Abo production in accordance with the schematic diagram which you submitted with your letter of July 19, separately and continuously metering each of the three producing zones prior to commingling.

Very truly yours,

A. L. Porter, Jr.
Secretary-Director
