Amendment
Administrative Order PC-182

Gentlemen:

Reference is made to your letter of February 17, 1964, wherein you request that Administrative Order PC-182 be amended to delete the requirement for metering the Wantz-Abo production prior to commingling the same with Drinkard production in the commingling installation on your Gutman Lease.

It is our understanding that neither zone is capable of producing top allowable and that you would allocate the production to each of the two pools on the basis of periodic well tests.

Administrative Order PC-182 is hereby amended in the above-described manner.

Very truly yours,

A. L. PORTER, Jr.
Secretary-Director
