Attention: R. C. Anderson, Production Manager

Lease Name: W. T. McComack
Description: E/2 Sec. 32, T-21-S, R-37-E, Lea County

The above-named company is hereby authorized to commingle production from the following pools

Blinebry Gas, Penrose Skelly, and Tubb Gas

in a common tank battery, and to determine the production from each pool by

_____ separately metering the production from each pool prior to commingling

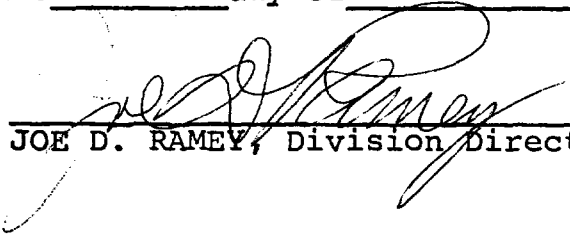

_____ separately metering the production from
and determining the
production by the subtraction method

x well tests (if this method is to be authorized, all commingled production must be of marginal nature; further, the operator shall notify the Santa Fe Office of the Division in the event any well producing into the commingled battery becomes capable of top allowable production, at which time the Division will amend this order or take such other action as may be appropriate)

Note: This installation shall be installed and operated in accordance with the applicable provisions of Rule 303 of the Division Rules and Regulations and the Division "Manual for the Installation and Operation of Commingling Facilities." It is the responsibility of the producer to notify the transporter of this commingling authority.

REMARKS: Administrative Order PC-277 originally authorized commingling of Penrose Skelly and Blinebry oil production. Blinebry had been abandoned on this lease and the Tubb developed and Order PC-277 prior to this amendment authorized commingling of Penrose Skelly and Tubb oil production.
