Dear Sir:

Please consider this a formal request for an administrative order granting an exception to Rule 303 (A) as concerns the above-described lease.

The ownership is common in the lease.

I would submit the following information as required under Rule 303 (B) of the New Mexico Oil Conservation Commission:

A copy of this request has been sent this date to the Commissioner of Public Lands for his approval, and I will notify you as soon as consent or non-consent of my request has been received.

Your consideration of this request is appreciated.

Yours truly,
