CANCELLATION  
Administrative Order PC-375 ✓

Gentlemen:

Reference is made to your application dated July 22, 1969, for an exception to Rule 303 (a) and Rule 309-A of the Commission Rules and Regulations to permit the commingling of San Andres, Drinkard, and Blinebry production from your State "A" Lease comprising the S/2 NE/4 of Section 32 and Blinebry and Drinkard production from your State "B" Lease comprising the E/2 NW/4 of Section 33, both in Township 18 South, Range 38 East, Hobbs Field, Lea County, New Mexico, after separately metering the production from all zones on each lease with the exception of the San Andres production on your State "A" Lease which you propose to determine by means of the subtraction method.

Pursuant to the authority granted me under the provisions of Rule 303 (b) and Rule 309-B of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the aforesaid pools and leases in the above-described manner. Provided however, that you shall install metering and sampling facilities on the San Andres leg from the State "A" Lease of the commingling installation, and provided further, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," including the requirement for non-reset counters on the meters and temperature-compensated meters.
