Dear Sir:

Please refer to our letter of September 28, 1978 requesting permission to commingle Wantz Granite Wash production with the existing Blinebry and Tubb Gas condensate, Drinkard and Wantz Abo oil (copy attached).

We are in receipt of your approval of this amendment dated January 12, 1979 (copy attached); however as will be noted, production from the Wantz Granite Wash Pool is not included on the amendment. Approval of commingling Wantz Abo production was granted on amendment dated September 26, 1978 as reflected on the attached copy.

If our application is in order, please issue a corrected amendment to include Wantz Granite Wash production.

Should further information be required, please advise.

Yours very truly,

R. C. ANDERSON
