Administrative Order PLC-25

Gentlemen:

Reference is made to your application dated May 9, 1966, wherein you request authority to commingle Maljamar Grayburg-San Andres, Corbin Queen, and Corbin Abo production from your State BY, State CB, State CD, Ohio State A, and Cockburn State A Leases all in Section 32, Township 17 South, Range 33 East, Lea County, New Mexico, after separately metering the production from each pool and each lease.

Pursuant to the authority granted me under the provisions of Rule 303 (b) and Rule 309-B of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the aforesaid pools and leases in the above-described manner. Provided, however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," including the requirement for non-reset counters on the meters. You are also requested to notify the Hobbs District Office of the Commission at such time as the installation is complete in order that an inspection may be made of the installation prior to putting it in operation.

Very truly yours,

A. L. PORTER, Jr.  
Secretary-Director
