Attention: Mr. H. F. Defenbaugh

Gentlemen:

Reference is made to your application for an 80-acre non-standard gas proration unit in the Blinebry Gas Pool to be dedicated to your A. M. York "A" Well No. 1, located 2310 feet from the North line and 330 feet from the East line of Section 20, Township 21 South, Range 37 East, NMPM, Lea County, New Mexico.

Inasmuch as the above-described location is unorthodox for a gas well in the Blinebry Gas Pool, it will be necessary for you to file an application for a non-standard location for the A. M. York "A" Well No. 1 in the Blinebry Gas Pool. Both applications can then be processed simultaneously.

Very truly yours,

OLIVER E. PAYNE
Associate Counsel
