Re: Continental Oil Company's
Application for Reduction
from 200 Acres to 80 Acres
of the Non-Standard Gas
Proration Unit to be Assigned
to its SEMU Permian No. 41
located 660 feet from South
and East Lines of Section 13,
T-20S, R-37E, NMPM, Lea County,
New Mexico.

Gentlemen:

Continental Oil Company respectfully requests (administrative approval) for reduction of the acreage assigned to the SEMU Permian No. 41 by New Mexico Oil Conservation Commission Order No. R-1155 from 200 acres consisting of the S/2 S/2, NW/4 SW/4 Section 13, T-20S, R-37E, NMPM, Lea County, New Mexico, to a non-standard gas proration unit to consist of 80 acres consisting of the S/2 SE/4 of said Section 13. We therefore request cancellation of Order No. R-1155 and the establishment of an 80-acre non-standard gas proration unit consisting of the 80 acres described above to be allocated to the SEMU Permian No. 41 located 660 feet from the South and East lines of said Section 13.

In support of this request, we should like to point out that the proposed unit conforms with the requirements of Rule 5(b) of the Special Rules and Regulations for the Eumont Pool of Order No. R-520 in all respects as follows:

1. Said proposed non-standard gas proration unit consists of contiguous quarter-quarter sections.
2. Said proposed non-standard gas proration unit lies wholly within a single governmental section.

*see
map*

3. The entire proposed non-standard gas proration unit may be reasonably presumed to be productive of gas.
4. The length or width of said unit does not exceed 5,280 feet.
5. Copies of this application have been furnished this date by registered mail to all offset operators and operators within 1500 feet of said well as required by the provisions of said Rule 5(b).

A plat is attached hereto showing to the best of our knowledge and belief the proposed unit, the location of the No. 41 well and other wells on the lease, offset wells and ownership thereof.

The granting of this application is in the interest of preventing waste and the protection of correlative rights.

In view of the facts set out herein it is respectfully requested that the Commission enter an order approving the non-standard gas proration unit for Continental Oil Company's SEMU Permian No. 41 well as described above.

R. L. Adams
Division Superintendent
of Production
New Mexico Division

STATE OF NEW MEXICO }
COUNTY OF CHAVES } ss.

R. L. Adams, upon being duly sworn, deposes and says that he is the Division Superintendent of Production for Continental Oil Company, and as such is authorized to file the foregoing application, that he has read said application and knows the contents thereof, and that the statements made therein are true, as he is credibly informed and believes.

(Signature)

Subscribed and sworn to before me this 12th day of June, 1959.
