Attention: Mr. A. L. Porter, Jr.

Gentlemen:

Sinclair Oil & Gas Company hereby makes application for an exception to Rule 5 (A) of Order R-1670 for our Joseph R. Phillips "A" Well No. 8 in the Monument McKee Gas Pool, Lea County, New Mexico. This well is located 660' from the South line and 942' from the West line of Section 31, T-19-S, R-37-E.

Sinclair proposes to establish a 157.18 acre non-standard gas proration unit occupying the SW/4 of said Section 31. This non-standard proration unit is occasioned by a variation in the legal subdivision of the U. S. Public Lands Survey, as shown on the attached plat and as tabulated below:

E/2 SW/4 Section 31	79.84 Acres
Lot 3 (NW SW)	38.70 Acres
Lot 4 (SW SW)	38.64 Acres
Total	157.18 Acres

The above described Governmental quarter section may reasonably be presumed to be productive of gas from the Monument McKee Gas Pool. All operators owning an interest within 1500' of the well have been notified of this application this date via registered mail.

I certify that the information contained in this letter is true and correct to the best of my knowledge and belief.

Yours very truly,
